The preliminary budget was approved with no dissent.

Reports

Fire Dept.

Steve Peters reported the paperwork to send the old truck back will need to be completed. Steve also said that CalFire has directed fire departments to inspect any places that rent such as Camp Layman and 20 Mile House. Tim would like to do a pre-inspection and may go around to take a look. The new truck has been painted and will need new tires. The Jeni Jones \$4000 Grant was received and new jumpsuits have been ordered to replace the wild land gear previously used.

Treasurer

Alice reported the Auditor's office had been having us scan and email the bills in each and mail in our deposits. This has worked out well from our end but the Auditor is again asking that we submit the original bills and deposits either by hand or through the mail. As reported in the budget, the 2019 final budget was not received.

Molly Kenney donated \$500 in Dan Kenney's name.

Vehicles

Greg reported the vehicles were inspected today and are ok.

Website

Jonathan reported the Website and Facebook page are up and running.
